

THE OREGON ASSOCIATION OF REALTORS® PRESENTS

The National Association's GREEN DESIGNATION

December 1-3, 2009

Sheraton Hotel, Portland Airport
8235 NE Airport Way
Portland, OR

INSTRUCTOR:
Jan Ellingson

Jan served as the 2008 President of the Washington REALTORS®. She is a certified REBAC instructor for the Green Designation and instructs designation courses around the Northwest.

NAR's Green Designation Core Course provides real estate professionals with knowledge and awareness of green building principles applied in residences, commercial properties, developments, and communities so that they can help consumers in purchasing, retrofitting, and operating green properties. The course encourages the real estate professional to be an advocate for green principles in the design and use of homes and commercial buildings and a positive force for creating sustainable communities.

To earn NAR's Green Designation you must complete the Core Course and one elective course one of which is Green Residential Real Estate.

Course objectives include:

- Green building concepts, principles and practices
- Financial advantages of properties that are eco-friendly and energy efficient
- Regulatory issues, zoning and building codes as they relate do sustainability
- Sustainable communities and land planning
- The significance of LEED, Energy Star and other rating systems.
